### St. Thérèse

St. Thérèse's parents were considered to be ordinary people who were devoted to their family. They both shared a deep connection to their faith. At twenty-two, young Louis sought to enter religious life at the monastery of the Augustinian Canons of the Great St. Bernard Hospice in the Alps. He became ill and dispirited, and abandoned his hopes for the monastic life. As a young lady, Zélie sought unsuccessfully to enter the religious order of the Sisters of the Hotel-Dieu. Louis Martin and Zélie Guérin eventually met in Alençon, and on July 13, 1858, Louis, 34, and Zélie, 26, married and began their remarkable voyage through life.

**St. Thérèse said: "The value of life does not depend upon the place we occupy. It depends upon the way we occupy that place."**

### Offering of the Mass

By virtue of the "communion of saints," the Church commends the dead to God's mercy and offers her prayers especially the holy sacrifice of the Eucharist, on their behalf. (Catechism of the Catholic Church). This practice dates as far back as Judas collecting a sin-offering for the dead, making atonement so they might be delivered from their sin. (2 Maccabees 12:39-45). Masses may also be offered for the intentions of the living or in thanksgiving. Masses are requested through the parish office.

### Hospital Chaplains

Catholic chaplains visit patients and their families to address any spiritual needs. To receive a visit from a chaplain, call:

- **General Hospital** – 306-519-1405
- **Pasqua Hospital** – 306-519-1380
- **Wascana Rehab Centre** – 306-530-6511

If you are admitted through the emergency room, you may not be asked about spiritual care, so please call the number above or notify your parish.

Please also let your parish know if you've been admitted to the hospital.

## Stewardship Bulletin Bits

### Solemnity of Our Lord Jesus Christ, King of the Universe

"...giving thanks to the Father, who has made you fit to share in the inheritance of the holy ones in light."

Colossians 1:12

God wants us to be happy! Instead of looking at the Ten Commandments as being restrictive and telling us what we can't do, look at them as guides for living a joy-filled and peaceful life. Most of our problems arise when we put our own needs first or we spend most of our time trying to acquire more stuff. Instead, try putting God first in all things. We were made for God. Open your heart and let Him in!

## Thinking Faith S03 E08/E11: Miller High School Q&A: Jesus' words, who gets to heaven, faith and science, and more

In this Thinking Faith Q&A episode, Deacon Eric Gurash and Dr. Brett Salkeld answer questions from grade nine and ten students at Miller Catholic High School in Regina about faith, Scripture, and salvation. This week, they explore how to discern when Jesus speaks literally or symbolically, and whether anyone can be certain of heaven, offering a hopeful perspective on faith, mercy, and trust in God.

### Archbishop's Appeal

#### Bulletin Reflection

Today we celebrate the Solemnity of Christ the King, recognizing Jesus as the ruler of all creation and the source of our reconciliation and life. St. Paul reminds us that we are strengthened with gratitude for the inheritance we have in Him. In the Gospel, even in His suffering, Christ shows mercy, promising paradise to the repentant thief and teaching us the power of compassion and forgiveness. The Annual Appeal invites us to honor Christ's kingship through our generous support of parish ministries that serve, comfort, and build up our community. Your gifts help make Christ's reign visible in our parish, bringing hope and love to all.

#### Prayer of Intercession

For hearts strengthened by Christ the King's mercy, that our prayers and gifts may support the mission of our parish and bring hope to those in need—let us pray to the Lord.

### PRO-LIFE NEWS

The Liberal Government recently awarded over \$4.3 million in funding to researchers at the University of British Columbia Faculty of Medicine to promote abortion to minorities as part of over \$13 million in funding for pro-abortion groups under the "Sexual and Reproductive Health Fund".

According to UBC Medicine, the taxpayer dollars will fund research "to address barriers to abortion access for underserved populations." The group (UBC Contraception and Abortion Research Team) promised it would push abortion on minority and marginalized groups including migrants, Indigenous and other racial minorities, and disabled women.
