# 5TH SUNDAY IN ORDINARY TIME

## FEBRUARY 6TH, 2022

Marian Centre needs men's warm winter clothing for their clients. Briefs, boxers, long underwear and warm winter socks are suggested items, size medium or large. Our collection will continue until mid February and the Food Drive cart is available for your donation at the back of the Church.

### Old Palms

We now have bins available to collect your old palms. These will be burned for our Ash Wednesday ashes on March 2nd.

### Hospital Chaplains

Catholic chaplains visit patients and their families to address any spiritual needs, to pray, to provide a friendly face and comforting presence, to talk about people's fears and concerns, to bring Communion, and to contact a priest for Anointing of the Sick. If you or a family member wish to receive a visit from a chaplain, please call: General Hospital 306-519-1405, Pasqua Hospital 306-519-1380, Wascana Rehabilitation Centre 306-530-6511.

### Offering of the Mass

By virtue of the "communion of saints," the Church commends the dead to God's mercy and offers her prayers especially the holy sacrifice of the Eucharist, on their behalf. (Catechism of the Catholic Church). Masses may also be offered for the intentions of the living or in thanksgiving. Masses may be requested through the parish office. If you'd like to offer a mass on a specific date, please make arrangements at least one month in advance.

**Stewardship Bulletin Bit- January 30, 2022  
5th Sunday in Ordinary Time**

*"Love is patient, love is kind. It is not jealous, it is not pompous..."*

*1 Corinthians 13:4*

Do you get jealous? Do you focus more on the things that other people have than on the gifts that God has given to you? Are you pompous? Do you acquire more possessions to impress others? At times we are all guilty of these things. Pray for more humility. Humility helps us become less "self-centered" and become more "God-centered" for the sake of others.

**Are we making progress?**

*"And the LORD God commanded the man, saying I, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."*

*Genesis 2:16 - 17*

It would seem almost ludicrous to ask the question, has mankind made progress since his appearance on this planet? Many would answer that it should be perfectly obvious that man has come a long way from primitive beginnings in the cave.

Until recently, historians have always spoken of the idea of progress in history but this is now being seriously questioned. While it is true that there have been improvements and innovations in technology throughout human history, each step forward has brought with it a mixed blessing.

For example, the movable-type printing press introduced about 1447 reduced the cost of printing, thus making, say, Bibles much more readily available. While this helped to establish moral absolutes, those same printing presses also produced pornography and politically dangerous ideas from the Greeks. More recently, television seemed like free entertainment, but overindulgence has robbed many of their health and the ability to think for themselves.

In those very early chapters of the Bible, we are told how in disobedience to God's command our first parents, Adam and Eve, ate the fruit of the tree of the knowledge of good and evil. It is mankind's fallen nature that has caused the good and the evil to come together as a package. We have made progress in technology. but we have also regressed morally. As it was in the days of

Noah. the earth has become filled with war and violence by man's use of good inventions put to wrong

**Prayer Ministry**

Peter Pham

**Vocation View**

*"Holiness is a gift of God. Open yourself to the gift. When God calls, be ready to respond: "Here I am, send me!"*

*Isaiah 6:1-2, 3-8*

## TF#282: Dr. Brett Salked and John Jalsevac Part 2

Dr. Brett Salked and guest John Jalsevac discuss how, though they have different initial instincts with respect to vaccination, reasoned engagement with the sources makes it possible to sift fact from fiction and find common ground.

"If we have these conversations, real conversations based upon an openness to the other you often realize that you have more in common than you realize, you can have a more productive conversation than you realize, and you avoid getting pulled to these extremes that just in many cases aren't true." <https://thinkingfaith.libsyn.com/dr-brett-salked-and-john-jalsevac-part-2>
