LITTLE FLOWER PARISH

31ST SUNDAY IN ORDINARY TIME

OCTOBER 30, 2022

Theme: We are God's creation and he loves us deeply. His son, Jesus, extends to each of us the invitation to turn away from our sins, be forgiven, and to live more like God's children. Zacchaeus is a good example of a person who deeply responds to God's love.

Offering of the Mass

By virtue of the "communion of saints," the Church commends the dead to God's mercy and offers her prayers especially the holy sacrifice of the Eucharist, on their behalf. (Catechism of the Catholic Church). This practice dates as far back as Judas collecting a sin-offering for the dead, making atonement so they might be delivered from their sin. (2 Maccabees 12:39-45). Masses may also be offered for the intentions of the living or in thanksgiving. Masses are requested through the parish office.

If you wish to have the Mass offered on a specific date, please call at least one month in advance.

Sister Mel's 90th Birthday Celebration Supper

Sister Melvina Hruska (Sister Mel) is celebrating her 90th birthday in November! Please join us in celebrating this memorable occasion with her by attending a Celebration Supper at Little Flower Parish. Please join us for many stories, fellowship and some surprises.

Stewardship

"But Zacchaeus stood there and said to the Lord, 'Behold, half of my possessions, Lord, I will give to the poor, and if I extorted anything from anyone I shall repay it four times over.'" Luke 19:8

We are all called to gratefully give back to the Lord in proportion to the gifts we have been given. This means everyone isn't called to give the same amount, but everyone is called to give equal sacrifice. Open your heart and talk to God about how you use your money. How is God calling you to be more generous with your financial resources and possessions?

Archbishop's Appeal

As disciples of Jesus, we are invited to be stewards of hope in our relationships, families, and communities. But in these uncertain and challenging times, that isn't always easy. The Archbishop's Appeal is a tangible way in which you can foster hope in your parish and wider community. Please, prayerfully consider how you can foster hope by donating to the Archbishop's appeal.

Reflection

Today's first reading reminds us of the patient love of God. He created the universe, and it is like a dew drop in a field, but with great love, correction is given, and relationship is fostered. The universe is a huge place and knowing that God is as close to us as our own heart is something amazing to ponder and encounter.

That encounter continues into the Gospel. Zacchaeus is the tiny tax collector who wants to catch a glimpse of Jesus, and when Jesus asks to stay at his house, it is a surprise. To be a tax collector was to be an outcast in Jewish society: it reminded them of the Roman oppressors, and it happened that many tax collectors were dishonest, exploiting many people. So, when Zacchaeus pledges to make amends to the poor and any he extorted, it is clear that his faith in Christ changed his life. The Annual Appeal works to support encounters like the one between Jesus and Zacchaeus, where we realize that Christ loves us deeply, changing our lives forever.

TF319: A Catholic Approach To Horror Movies - Part 2

Deacon Eric and Dr. Brett continue their discussion on a Catholic approach to horror movies and the role of discernment in engaging in any kind of entertainment.

Show Snippet: *"If we're starting off asking, 'How do Catholics approach horror films?'; I think that's a great summary of what we've been talking about...with discernment; good, interior discernment."*

This podcast is made possible through generous donations to our Archbishop's Appeal.

Treaty 4 benefits that First Nations believed they would receive are the physical survival of their nations, peaceful relations with the newcomers through ongoing equitable relations, respect for cultural and spiritual survival as distinct nations by the preservation of their distinctive traditions and institutions, and a transition to a new lifestyle by learning different technologies in education, economics, and health, as well as other benefits. (OTC, 2008, We are All Treaty People, p.13) Today, and throughout the years since the signing of Treaty 4, First Nations people continue to struggle for the fulfillment of these promises as understood and promised at the time of treaty.
