6TH SUNDAY IN ORDINARY TIME

FEBRUARY 12, 2023

Theme: The struggle within ourselves is a life-long effort, but there is also on this journey a taste of something very special – the personal experience of God’s presence and love and power in our lives that makes it all worthwhile. That is the challenge of the Sermon on the Mount, and that’s the promise and hope underlying its demands and teachings. The disciples of Jesus do not ask the Master to justify his demands. They believe in the love of the Father and are confident that the way he shows them is the “Way of Life”.

ASH WEDNESDAY MASS—FEB. 22 AT 6:00 PM

Offering of the Mass

By virtue of the “communion of saints,” the Church commends the dead to God’s mercy and offers her prayers especially the holy sacrifice of the Eucharist, on their behalf. (Catechism of the Catholic Church). This practice dates as far back as Judas collecting a sin-offering for the dead, making atonement so they might be delivered from their sin. (2 Maccabees 12:39-45). Masses may also be offered for the intentions of the living or in thanksgiving. Masses are requested through the parish office.

PALMS

In preparation for Ash Wednesday, we will begin collecting old palms. The bin is located at the back of the church and it will remain in the church leading up to Ash Wednesday.

Hospital Chaplains

Catholic chaplains visit patients and their families to address any spiritual needs. To receive a visit from a chaplain, call:

- General Hospital 306-519-1405
- Pasqua Hospital 306-519-1380
- Wascana Rehab Centre 306-530-6511

Office Hours

From **February 02nd to 27th**, the Parish Office will be closed for in-person services. Phone calls and emails will be monitored and answered during the day as usual. In-person services at the Parish Office will resume on February 27th.

“For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven.”

Matthew 5:20

The Pharisees lived according to the letter of the law, and they used this to elevate themselves above the other people. Jesus is clear – it’s the love that you have in your heart, for God and others, that will get you to heaven. Simply following church rules to the letter and not out of love, does not necessarily put you on the path to heaven. Attending Sunday Mass and then gossiping about a fellow parishioner on the parking lot is an example of being a modern-day Pharisee.

Prayer Ministry

Please pray for the needs of the sick of our parish, the homebound, people who are alone and/or afraid to go out. Pray especially for:

Germain Beaurivage, Annette Block, Ann Dormuth, Jose Estioco, Agnes Fahlman, Marlene Frey, Fred Fry, Jack Gebert, Dean Hutchence, Shelly Joubert, Judy Klenk, Don Morrell, Lima Perras, Claudia Sali, Ron Strassburger, Clair Wingerter, Louise Wingerter, the lonely, vulnerable, and homeless, as well as all who are affected by war.

Vocation View

‘You have heard that it was said . . .’ Jesus challenges His disciples to a deeper embrace of His teachings. Embrace His teachings with your whole heart, mind and soul.

Matthew 5:20-37

itwewin Corner (itwewin is the Cree word which means ‘the word’ or ‘as it is said...’)

Did you know... Day Star First Nation is located 16 km north of Punnichy and has a population of approximately 426 members who live on and off the reserve. 2022 Income Tax Receipts

If you donated to the Appeal by credit card or auto debit a separate income tax receipt will be issued by the Archdiocese and mailed directly to you.

A Word About Trauma...

Trauma and associated words are being used more now than ever. Do we know the origins of these words? Are their meanings different now than when they were first used?

Each week we will explore a trauma-associated word's origins, meanings and evolution.

PTSD is short for Post-Traumatic Stress Disorder. The DSM I 1952 edition used the term “gross stress reaction” and included combat and “civilian catastrophe.” The definition was similar to its official entry and psychiatric diagnosis into the DSM IV in 1980 and classified under anxiety disorders. With a new category created in the DSM V, PTSD is now classified under “trauma and stressor-related disorders. Certain sensations, sensory experiences (sights, sounds, smells) and/or emotions that were dissociated at the time of the trauma keep returning and do not fade with time. There is implicit and narrative memory. For centuries it has been known by many different names related to war. Combat stress, shell shock, battle shock, combat fatigue, soldier’s heart, war neurosis and railway spine. Some of William Shakespeare’s plays and Hippocrates’ poem De Rerum Natura from 50 BC references flashbacks like dreams. Jean-Martin Charcot noted that “hysterical attacks” could be related to traumatic experiences years later. PTSD is not a weakness but an inherent survival mechanism that we do not have conscious control over.
